

## Vacaville football loses to Oak Ridge, 62-0

At Oak Ridge, Vacaville was dominated after scoring 49 points the week before at Davis.

“We have a lot of work ahead to get better,” Vacaville head coach Mike Papadopoulos said. “We gave up some big plays on defense and the offense was put in some pretty big holes.”

Oak Ridge scored 27 points in the first quarter alone with two pick-six interceptions. It was 55-0 at halftime.

Jacob Wright’s Will C. Wood football team also struggled in Carmichael against Casa Roble. The Wildcats will try and turn it around next week, just like the others in the county.

“The game didn’t go well,” Wright said by text. “We gave up some big plays and struggled to get the offense going.”

Vacaville evens its record at 1-1 with the loss.
